Important Information

- All games to be played under the 2019 rules of hockey. No roll-ins from the sideline, no offside and no point in breaking down play through the execution of a crafty foul. The attacking side is now allowed to restart play quickly though a self-hit. Suffer all those of you who haven't played for ages!
- Please communicate directly with the Match Manager for the game or games that you are scheduled to play in with any needs that you might have.
- **Please bring a blue shirt, a white shirt and any Wallingford shirt that you might have.**
- We will provide goalkeepers and umpires for all games. You don't need to worry about being placed in a physical or verbal coconut shy.
- The bar will be open all day for beer, refreshment and hot food.
- We will also be serving tea, coffee and cakes in the hockey pavilion throughout the afternoon at a modest cost.
- WHC now has modern state of the art changing rooms and showers. No more exiting freezing cold showers to find yourself up to your knees in rugby mud on the return journey to the changing room.

What You Can Do To Help

- Turn up in good time for your game **with a white, a blue and a Wallingford shirt** if you have one.
- Bake or donate a cake for the delectation and enjoyment of your fellow players.
- The day is not a revenue generating exercise; it's about celebrating the 125 years of enjoyable hockey and friendship at Wallingford. Nonetheless it would be good to cover our costs and a voluntary donation of £5 towards the cost of pitch hire would be appreciated. Look out for the donations box at pitch side.

WHC Merchandise

- WHC 125 souvenir merchandise - cufflinks, mugs, T shirts - will be available to purchase at bargain prices. The souvenir T shirts are a snip at just £10 on the day.

We are all looking forward to seeing you for a great fun day and evening on Saturday 18th.

Much hockey love

Your organizing committee.
